

Clark Griswold's Holiday Fire Prevention

follow these tips and watch these clips to avoid
an old-fashioned Griswold family Christmas

- 
- 1 Check strands of lights to ensure they're not frayed or possibly chewed by pets.
 - 2 Don't overload electrical circuits
 - 3 Water trees regularly and keep them away from heat or sources of ignition
 - 4 Keep candles 12 inches away from anything that could catch on fire
 - 5 Only connect up to 3 strands of lights together
