

Fire Alarm Apprentice- Washington, DC

About Kinetix

Kinetix Fire & Life Safety Experts was founded in 1993 and we provide fire protection system services to the government, military, commercial, higher education, and large campus type facilities. Our mission is to provide quality customer service by focusing on a personalized approach for the fire & life safety needs of our customer's facility. We are looking for a Fire Alarm Apprentice to join our experienced team in the MD/DC/VA area.

Job Responsibilities

Kinetix is currently hiring apprentices for our Maryland/DC office. This is a great opportunity to learn a growing and in demand trade. We are looking for hard working and hands-on individuals that want to learn a new trade in the fire protection industry. Kinetix will train you to become a Fire Protection Technician. Experienced technicians are in high demand and those with certifications have long-term lucrative careers in the fire protection industry.

Additional responsibilities of the Fire Alarm Apprentice include:

- Assist with activities directly related to fire alarm, sprinkler, suppression service and installation
- Assist with testing field devices
- Customer service, coordination, and communication
- Technical fire protection system project and administrative support
- Ability to work independently
- Carrying out assigned duties

Job Requirements

- Must be able to work nights and weekends
- Be willing to learn and study about the different fire alarm systems to pass tests and become certified
- Takes initiative, pursues opportunities, and tackles goals
- Have an excellent attendance and can handle responsibility
- High School Diploma or equivalent required
- Must be able to communicate well with customers and explain the services performed
- Must be able to write very detailed write ups on service work
- Must be well organized and be able to keep track of service tickets and process all required documents for each service performed

Kinetix is constantly searching for talented and hardworking individuals to join our team. For the past 3 years, Kinetix was recognized by INC magazine as one of the fastest growing companies in the U.S. and by the Philly 100 as one of the top 100 fastest growing firms in the Philadelphia area. Our fast growth allows us to continually hire the best in the business. If you are one of those individuals, consider joining our team. We want to hear from you, whether you are a top tech or a management guru. We are an equal opportunity employer that offers an array of benefits including health insurance, life insurance, 401(k) and short-term/long-term disability.

Please submit your resume and NICET certification to jobs@kinetixfire.com. The email subject line should note Fire Alarm Apprentice- Washington, DC.
